Watermill Express® and the Houston Dynamo “Go Green”

Brighton, Colo. – April 19, 2010 – Watermill Express, the nation’s largest drive-up vendor of pure drinking water and the Houston Dynamo are proud to “Go Green” at more than 400 community soccer events to take place in Houston this summer. As part of the Dynamo Street Team, Watermill Express will provide 20,000 gallons of drinking water, eliminating the need for up to 160,000 plastic bottles from being thrown away during this year’s events.

“We are so appreciative to have Watermill Express on board,” said Tiffani Simmons, Grassroots Marketing Coordinator for the Houston Dynamo. “Our team worked over 400 events last year and a huge majority of them were outdoors. It is so great to know that they will be hydrated when out in the community.”

For more information or for a list of the Houston Dynamo Street Team events visit their website at www.houstondynamo.com.

About Watermill Express:

Watermill Express is the nation’s largest provider of drive-up, pure drinking water. Founded 26 years ago in Brighton, Colorado, the company serves over 100,000 customers daily in the existing 1,300 corporate and franchised locations. Customers supply their own containers and purchase one, three or five gallons of water for an average price of 35¢ per gallon. This is a savings of nearly 95% when compared to a typical 20 oz. bottle of water selling off-the-shelf at \$1.00 per bottle.

Watermill Express is an environmentally friendly alternative to pre-packaged water. By promoting reusable containers, the company has prevented the waste of an estimated 500 million disposable water bottles.

As the innovator of the drive-up pure drinking water concept, Watermill Express is the first in the nation to utilize a daily 29-step quality control checklist, surpassing even the most rigorous state inspection requirements.
