Watermill Express® Partners With the Houston Dynamo

Brighton, Colo. – April 19, 2010 – Watermill Express, the nation's largest drive-up vendor of pure drinking water, is proud to announce its 2010 sponsorship of the Houston Dynamo professional men's soccer team. The Dynamo capped off a successful 2009 season with a trip to the MLS Western Conference Finals and took home championship titles in both 2006 and 2007.

"The Dynamo are excited to partner with a company that shares the same objectives of supporting the Houston community and conserving the environment," said Houston Dynamo Senior Vice President Rocky Harris. "Watermill Express is a great addition to the Dynamo sponsor family by helping us hydrate our staff, players, and all the Houstonians we reach."

The Dynamo and the city of Houston are also the host of the 2010 MLS All-Star Game at Reliant Stadium in July.

About Watermill Express:

Watermill Express is the nation's largest provider of drive-up, pure drinking water. Founded 26 years ago in Brighton, Colorado, the company serves over 100,000 customers daily in the existing 1,300 corporate and franchised locations. Customers supply their own containers and purchase one, three or five gallons of water for an average price of 35¢ per gallon. This is a savings of nearly 95% when compared to a typical 20 oz. bottle of water selling off-the-shelf at \$1.00 per bottle.

Watermill Express is an environmentally friendly alternative to pre-packaged water. By promoting reusable containers, the company has prevented the waste of an estimated 500 million disposable water bottles.

As the innovator of the drive-up pure drinking water concept, Watermill Express is the first in the nation to utilize a daily 29-step quality control checklist, surpassing even the most rigorous state inspection requirements.
