The purpose of The March is to promote education in District 39 as well as create excitement for students about the upcoming school year. Local police and fire departments set up booths along The March to inform students about the importance of a strong education.

Approximately 1,300 students, parents and teachers participated in this year's event. A raffle was held at the end of The March giving away back to school essentials, such as backpacks, school supplies and clothing.

About Watermill Express:

Watermill Express is the nation's largest provider of drive-up, pure drinking water. Founded 25 years ago in Brighton, Colorado, the company serves over 100,000 customers daily in the existing 1,200 corporate and franchised locations. Customers supply their own containers and purchase one, three or five gallons of water for an average price of 35¢ per gallon. This is a savings of nearly 95% when compared to a typical 20 oz. bottle of water selling off-the-shelf at \$1.00 per bottle.

Watermill Express is an environmentally friendly alternative to pre-packaged water. By promoting reusable containers, the company has prevented the waste of an estimated 500 million disposable water bottles.

As the innovator of the drive-up pure drinking water concept, Watermill Express is the first in the nation to utilize a daily 29-step quality control checklist, surpassing even the most rigorous state inspection requirements.
