Watermill Express® Donates Water at National Night Out

Brighton, Colo. – August 4, 2009 – Watermill Express, the nation's largest drive-up vendor of pure drinking water, teamed up with the McAllen Police Department to sponsor National Night Out in McAllen, Texas.

Watermill Express donated 65 gallons of chilled water to the crowd of approximately 500 people that attended the National Night Out event. National Night out events aim to strengthen the bond between a city's law enforcement and its community, as well as heighten drug and crime awareness in the neighborhood. Food, drinks, games and activities provide the backdrop for what was a fun and informative evening for everyone involved.

Watermill Express is a proud sponsor of the National Night Out events throughout Texas. Watermill Express has also donated water to National Night Out events in Houston, San Antonio and El Paso.

About Watermill Express:

Watermill Express is the nation's largest provider of drive-up, pure drinking water. Founded 25 years ago in Brighton, Colorado, the company serves over 100,000 customers daily in the existing 1,200 corporate and franchised locations. Customers supply their own containers and purchase one, three or five gallons of water for an average price of 35¢ per gallon. This is a savings of nearly 95% when compared to a typical 20 oz. bottle of water selling off-the-shelf at \$1.00 per bottle.

Watermill Express is an environmentally friendly alternative to pre-packaged water. By promoting reusable containers, the company has prevented the waste of an estimated 500 million disposable water bottles.

As the innovator of the drive-up pure drinking water concept, Watermill Express is the first in the nation to utilize a daily 29-step quality control checklist, surpassing even the most rigorous state inspection requirements.
